Land Use Chair

Niki Dugan

Board Member Spotlight:

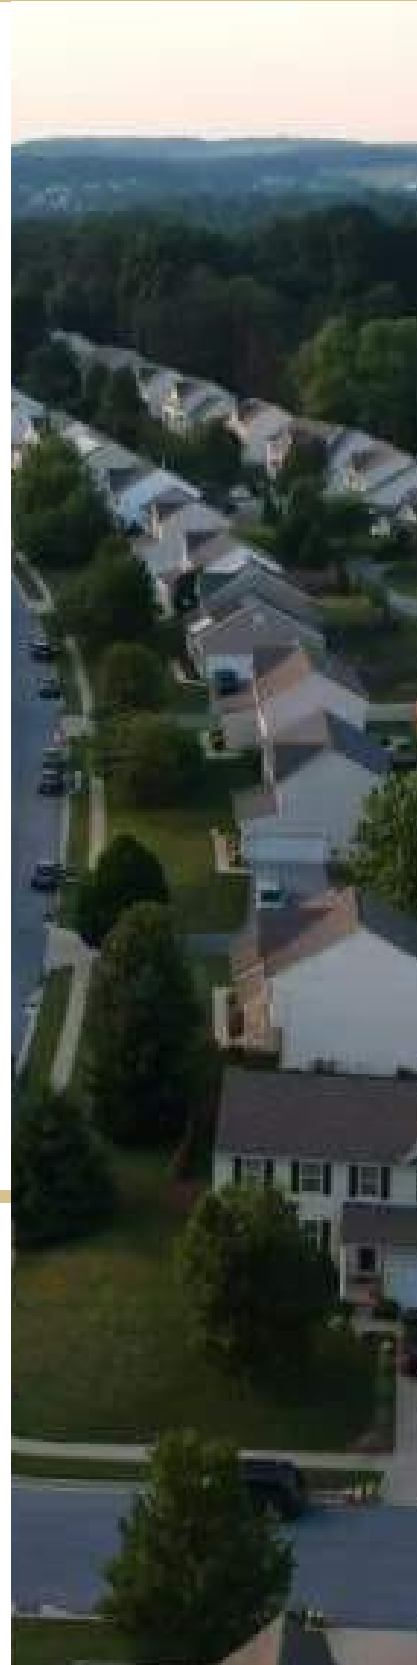

Nick Ervin, Treasurer

Nick, his wife, Meghann, and their 2 children (now 3!) moved to NCF in January 2016. He works as a project manager for a local construction company.

Wanting to get involved with the community, Nick joined the HOA board in 2017 as the Secretary and most recently has moved into the Treasurer position on the Board.

He also volunteers as part of the North Carroll Soccer Club committee and coaches his kids sports teams wherever needed. Nick's interests include watching and playing sports, running, biking, and spending time with family and friends.

Nick, Meghann and kids love checking out local breweries and wineries on the weekends and Nick considers himself a bit of a whiskey/bourbon enthusiast! If you see him running or biking thru the neighborhood or town, feel free to give him a wave!

- October 16..... Bulk Trash Pickup

Neighborhood News

Thank you!

We know the inconveniences with the paving were a little bit of a headache. Thank you for your patience while we got it done!! There are still a couple of items left to be wrapped up which should be done in the few weeks.

Tree Maintenance

The board has approved two companies for the removal of dead trees in the community. We will also be looking to see which areas will need trees replanted this spring.

Bulk Trash

The Town sponsors three bulk trash pickup days. These days are reserved for large non-hazardous items like old chairs, appliances, etc. Residents should place bulk items curbside on the Friday evening before pickup. **Please refrain from putting bulk items out on regular trash days - our trash collector will not pick them up except on the designated Bulk Trash dates.**

Tires, paint, motors, items with freon, oil or other hazardous waste or construction materials cannot be picked up during regular or bulk trash days. Hazardous waste must be disposed of privately. You may call Carroll County Landfill at 410-386-4550 or visit their website at <http://ccgovernment.carr.org/ccg/recycle/landfill.asp> for questions concerning disposal of hazardous waste.

For any questions or concerns, send us an email.

See you around the 'hood!
